2004-2006

Juventud de Torremolinos (Provincial Cadete)

**Current team:** Puerto Malagueño (Preferente Juvenil)

### **Description/Observations:**

Demo is a player who gives his all, a strong character and a natural born leader. He shoots well, plays forward and has an excellent capacity for dribbling and pressurizing his opponent. He has had a 20 goal average for the last few seasons and although he can also play on the wing, he does more damage as a striker.
