2005-2006

26 de Febrero (Preferente Cadete)

2006-2007

26 de Febrero (Preferente Cadete)

Current team: Puerto Malagueño (Preferente Juvenil)

Description/Observations:

Alfaro is characterized by his ability to cross the pitch, he is a good central and has an easy facility for marking and dodging. He is a very tactically disciplined player, who sacrifices himself in the defense. Alfaro is a technical player with a great vision of the game and has great velocity with and without the ball. He is very concentrated in match play and corrects his teammates on their positioning often showing the strength of leadership that he possesses.
