**HOTEL**

The hotel first opened in the 1970s and The Palm Experience Hotels took over its management in 2009. Major structural reform work was carried out in 2010 and we have continued to build a hotel with everything you expect for your holidays: good rooms, quality services and facilities and attention to detail. An unbeatable location, just 50 metres from Puerto Marina (of which most of our rooms have great views) and only 250 metres from Benalmádena's best beaches, makes us one of the resort's best hotel choices.
